

AGS Miniature Golf™

Renovation Program

Why Renovate?

- Increase revenue by an average of 30%
- Excellent ROI
- Economical alternative to raze & rebuild
- Preserve capital for other attractions / projects
- Attract new customers & increase repeat business

Why AGS?

- Industry leader 30 + years
- Owner / operator experience
- Experienced and creative design team
- CAD Capability
- Turnkey Service – Design & Build
- Design – Only Service
- Site inspections
- Optional products to add character
 - Molded rock edge system
 - Fountain equipment
 - Waterfall, pond, and stream equipment
 - Theme props & obstacles
 - Miniature Golf Operations Manual

AGS will evaluate:

- Course playability and fun
- Improvement ideas and concepts
- Drainage Issues – Hole cups, ponds, and course
- Hole cup placement, type of cup and alternatives
- Carpet / Turf replacement
- Edge system alternatives
- Tee area improvement and alternatives
- Obstacles & theme concepts
- Water Features
- Landscaping & Lighting
- 18th – hole ball return options
- Signage
- Guest flow optimization
- Impact of renovation on sales and expectations for repeat business

How to get started:

- Course layout
- Detailed measurements
- Provide site plan (CAD if available)
- Provide individual golf hole photos
