## Mini Links® and Mini Links® Jr.

The Mini Links miniature golf course system is the answer for clients seeking a portable solution that is durable, lightweight, and can be used on hard surfaces or existing terrain, all at a reasonable cost.

**Small space installation- creating a new activity in an underutilized space, added to existing kiddie playground**

# Mini Links® and Mini Links® Jr.

**Add fun to any location!**

**Add edging and landscaping for a more permanent look**

**Ice Skating Rink converted into a mini golf course for the off season**

**Indoor use too!**

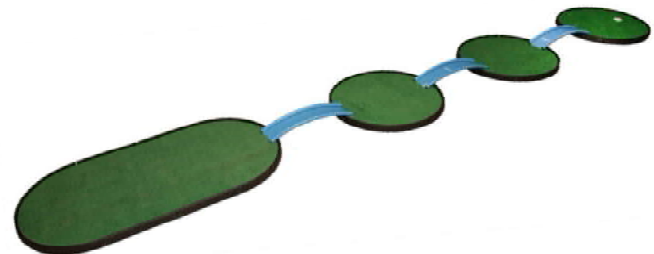

# Little Duffer®

## Simple and Fun!

Mix and match shapes or follow our sample 9 hole layout.

- Our most portable and versatile design.
- Easily configure into any space.
- Start with 2 basic greens and use bridges to connect each piece
- Add obstacles for more fun and challenge
- Endless configurations!

# SplitShot™

**More ways to go!**

9 or 18-hole course, offers multiple routes to the hole cup thus, “SplitShot”. Cross bridges and shoot through splitters, for more fun and challenge.

**Outdoor installation**

**Can be customized for your space!**

# AnyWhereLinks Jr.

## Test Your Skills with Bank Shots and Shoot Arounds

Our largest course design, AnyWhereLinks Jr. offers free flowing shapes that create an exciting and challenging course, like no other.
